

J.J. Turner (pictured below) is a famous innovator. He has left the form of sound words (2 Tim. 1:13) on several points. His latest innovation is an unscriptural human institution whose mission it is to “*Prepare Kingdom Dreamers to evangelize the world*” (<http://www.mcdonoughbibleinstitute.com/ABOUTMBI.htm>).

The institution is called McDonough Bible Institute (MBI). It is located in Georgia. Turner, according to MBI’s website, wears the unscriptural title of “President” (ibid).

However, the institute’s brochure also lists another innovator named Roger Shepherd (pictured on left below) as the President (<http://mcdonoughbibleinstitute.com/College%20Brochure%20New.pdf>).

Notice below how MBI funds its sinful agenda
