

THE SOCIAL GOSPEL AT WORK

New women's ministry to recognize visitors. Greeters and members are to encourage any visitor to sign the guest book and pick up a gift bag containing a mini loaf of sweet bread and information about MCCC. (located in the foyer on the south wall) When we see someone carrying a gift bag, welcome them! But, I need some help: I need bread bakers, gift bag assemblers, early service coordinators, late service coordinators. Also, we are sending cards to those who sign the guest book, so I need people to send notes. The note cards and postage will be provided.

Give us this day our daily bread.

If you are willing to help call Margi Sorrells.
